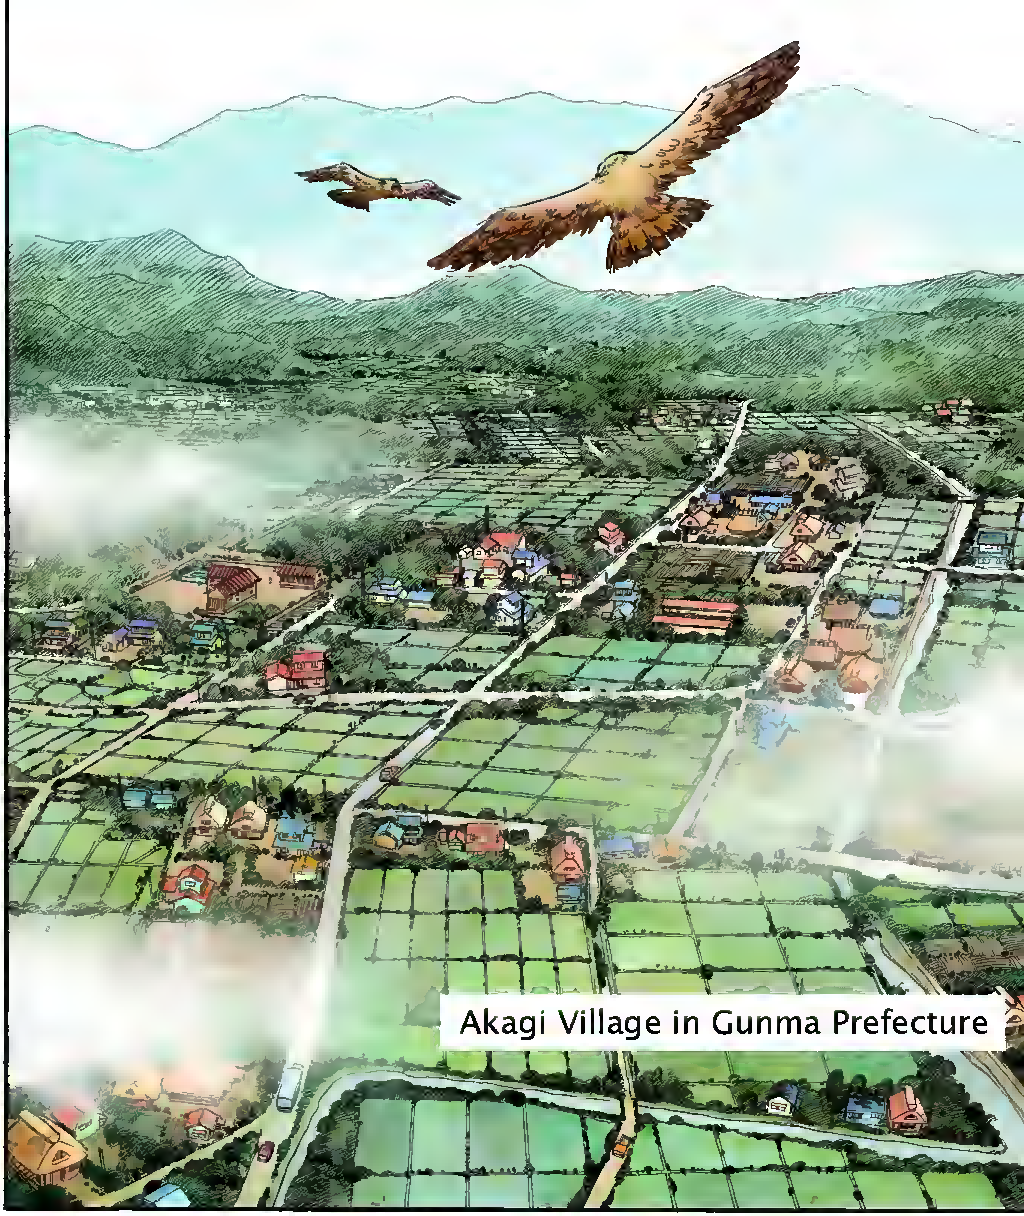
Farmers



Akagi Village in Gunma Prefecture

We would've been better off taking the Shonan route like always.
Eww, it smells like manure out here.

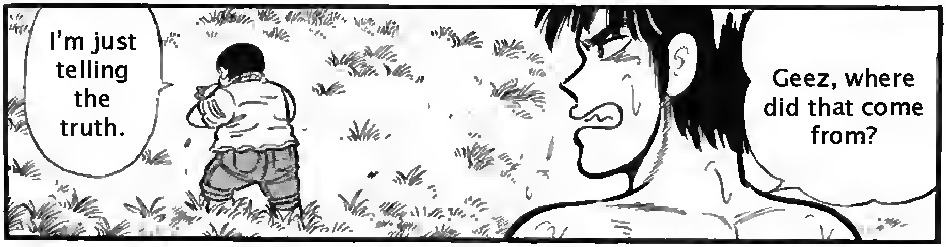
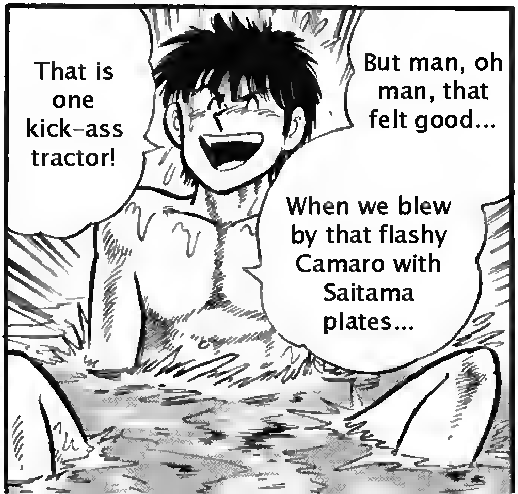
Not all of us are filthy rich like you, ya know. We don't got time to play around.
Besides, I've gotta go check the mushrooms now, and do some other stuff.

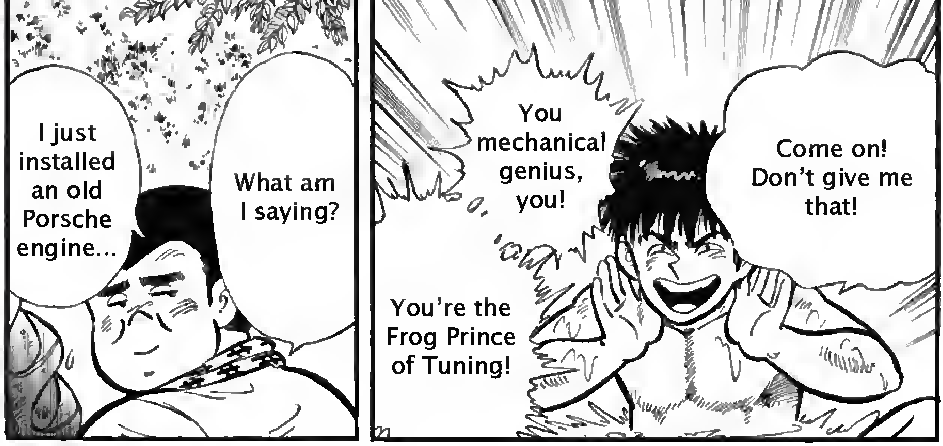


I'm just telling the truth.
Geez, where did that come from?

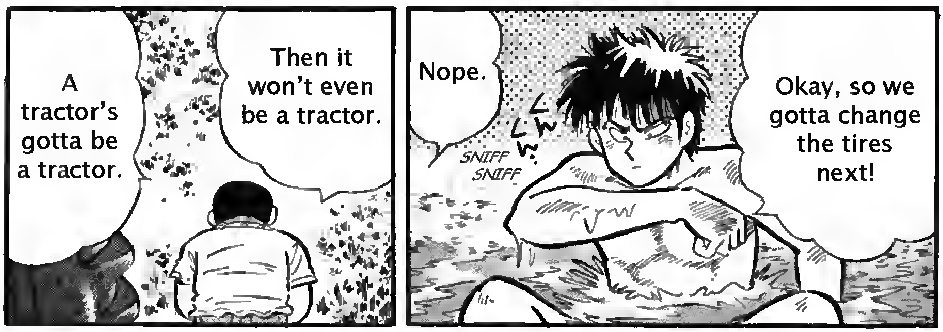
All it can do is go straight, so there's no point, even if it goes fast!
Not really.
It's just a toy.



That is one kick-ass tractor!
But man, oh man, that felt good...
When we blew by that flashy Camaro with Saitama plates...



I just installed an old Porsche engine...
What am I saying?
You mechanical genius, you!
You're the Frog Prince of Tuning!
Come on! Don't give me that!



A tractor's gotta be a tractor.
Then it won't even be a tractor.
Nope.
SNIFF SNIFF
Okay, so we gotta change the tires next!

Party pooper!
Man...
SPLASH
Let's go!
Come on, dude! The bathhouse is waiting!

Near Maebashi Station
Nakaoka, I'm really sorry about this, man.
I realize you lent me the car, and by tomorrow I'll definitely have it...
The ex- haust?
Huh?
What?
This is pretty embarrassing, but it was a tractor.
Actually, no. It wasn't black.
That's what I thought. Someone was messin' with you.
I saw flames spitting out of the muffler.
If the exhaust wasn't black, and you saw flames coming out, it must've had a Porsche or BMW engine installed.
Your average tractor has a diesel engine, and there's no way in hell it could outrun my Camaro.
By some wannabe country kid...
Sounds to me like you fellas got punked!
Dam- mit.

You are so full of it.
You said it, girl.
A tractor can't outrun a sports car. It just doesn't happen.
Whatever happened, you smell awful.

So then...

FLASH

Welcome home.

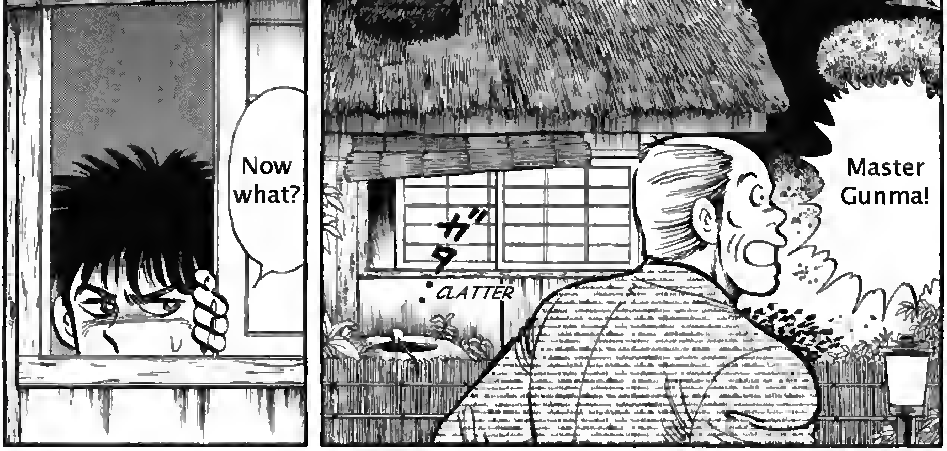
The police chief came by.

...

Hm.

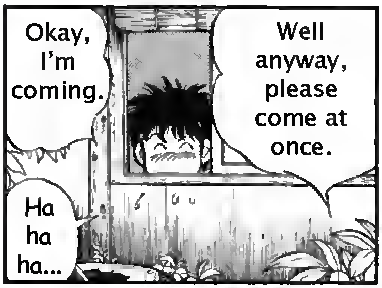
Apparently damaging a lot of cars and property in the process.
Gunma was in a bit of a... situation.
He was driving recklessly on a tractor with some prostitutes

I guess...
There's something strange and unpredictable about him. So different than Shoma and Yuma.
That boy really bothers me.
Maybe I feel different about Shoma and Yuma because I gave birth to them.
Hmph
I just can't deal with him.
Anyway...
Master Gunma!
Now.
Bring Gunma in here.



Now what?
Master Gunma!
CLATTER

Huh?
What are you doing in there?
Oh! Master wishes to see you, sir!



Okay, I'm coming.

Momma always had money problems.

Even though you're the son of a whore, you're still my flesh and blood, which is why I want to teach you how to be a man.

If you don't want to disappoint me...

Damn that cocky dude in the BMW.
Anyway, about that tractor, bro.
Oh, I guess if you put it that way...
Let's fix it up real nice.
What are you talking about?
This is practically my second home.
I didn't know you'd be here.

And if you keep doing reckless stuff like that, you're gonna die, Gunma.
Of course they don't. A tractor's gotta be a tractor.
ガラン

Wh...what do you mean by "nice"?
Those tires, dude. They don't have much traction.

Can we talk about this outside?
Yeah, that's why I'm telling you!
Come on, you know how good I am.
Momma! Make us some tea!
Come on out.

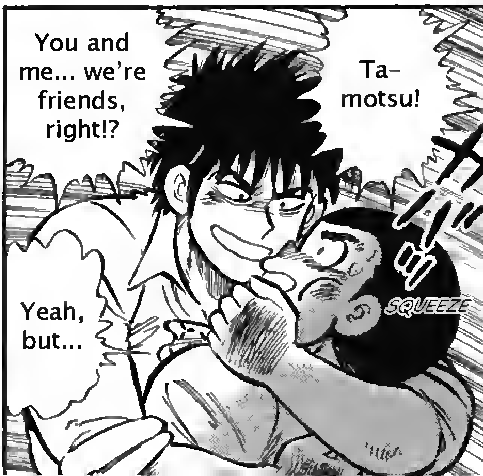
Buddy old pal!



You and me... we're friends, right!?
Ta-motsu!
Yeah, but...
SQUEEZE

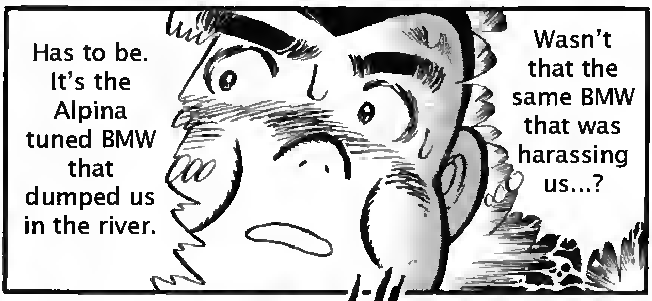
I've been entrusted with this car.
A week from now it's gonna be in a race.
VRRRRRRR
I know, I know!
Just a few minutes, Gunma. Got that?
Gunma, your eyes...
Yeah, but come on...
Ooh, it's got racing specs?
Gunmaaaa!!!
ZOOM

Gunma Akagi's his name. He's from a rich family, but he's a real idiot.
Right. That would be Akagi's good-for-nothin' son.
Huh? With a tractor?
WOOONG
WOOONG
Sure, it's easy to find...
His house ?
He's always causing trouble!
If you were another one of his victims, you oughta just go bang on their door.
Have a good one.
VRRRRRR
Right up there.
See it?

What's up with this wheel? It's so easy to turn!
Of course it is! This isn't a tractor, after all!
Stop it, Gunma! Really, that's enough!
ZOOOM
And I like these tires!
But once they reach their limits, they all go out at once!
WHOA
Basically, since they have excellent traction, it takes the driver a while to realize danger!
If you get too crazy on a turn, this car skips the spin and just flies!
SCREEETCH
Right! Got it!
Uh– oh...

ZOOM

ZOOM



Has to be. It's the Alpina tuned BMW that dumped us in the river.
Wasn't that the same BMW that was harassing us...?

Good thing Gunma didn't notice. He's too focused on his drivin'. Phew...

The driver's got that same lantern jaw.
Don't tell me you missed him, Tamotsu. That Beamer from the other day just flew by.
Plus...
SCREEEETCH
What are you doing, Gunma? Why are you making a U-turn!?

Momma, I might not make it back to pick mushrooms for you.
...this crazy friend here.
ZOOOOOM
I got...

But that'll make me go faster!
SWOOSH!
It's called the "Tuck-in Technique"!
Careful, Gunma! If you let up on the gas too much around this turn...

Your BMW's engine dis-placement dwarfs a Starlet like this...

I wonder if he's acquired a taste for Western foods.
I'll go look for Gunma, madam.

Gunma will be home soon. Leave him be.
I mean, it's been a long time since Shoma and Yuma came back to Japan. Gunma probably wants to have dinner with them too...

One wrong move and we'll be guilty of murder.

Take a look at his eyes. He'll beat us half to death.
He'll rip off our arms at the least...
I'll take care of him...
Oh man... What now!?

Hello everyone.

Hi Mom.
Oh.
Hello Yuma.
Good to see you, Mom.
Wel-come home, Shoma.

Heh heh... Don't worry about it.
Gun-ma?
We saw Gunma in a car going the other way.
What's wrong with your father?
Hello Yuki.
Wel-come home, Master Shoma.
Oh...
Okay. Come now.
I sure am hungry, Mom. Do you have anything?

I said it's nothing!
But you look so pale...
Did some-thing happen?
It's nothing.

It's Gunma, isn't it?

Now that you're trying to get into politics, that boy can really ruin your chances.
My good-ness.
I can only imagine what it was.

It's been a year.
Anything change since I've been gone?
Not really.
Hmph... At least one thing has changed.
You've gotten very pretty.

What about me?
No, it's true.

Did you read those letters I sent you from over-seas?
All of them?

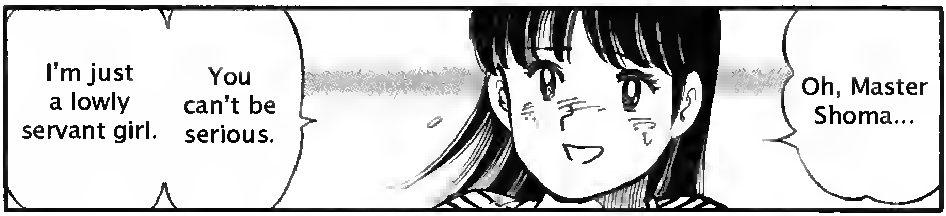
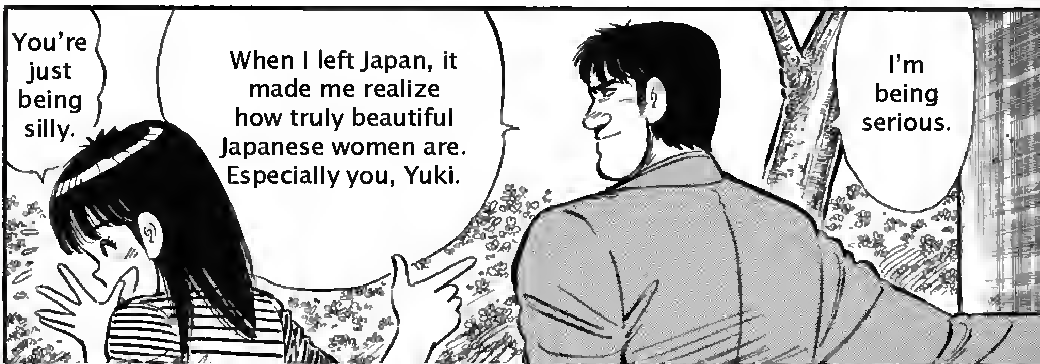
You've always been handsome, Master Shoma. But now you're even more refined.



I'm just a lowly servant girl.
You can't be serious.
Oh, Master Shoma...



You're just being silly.
When I left Japan, it made me realize how truly beautiful Japanese women are. Especially you, Yuki.
I'm being serious.

I'm telling the truth.
Soon I'll be graduating from college, and taking over my father's position.
Which means I'll have total control over 5,000 hectares of forest land, not to mention more than 20 affiliate companies.

So you're finally tired of being a local assembly member.

You're awfully quick to agree, Shoma.

This is great, Dad. I'm sure you'll get elected!
I'm all for it!

As the eldest son in the Akagi household, I'll do my utmost to keep our company in top shape!
Of course! I completely understand!

You're the wart, and a huge disgrace to this family!
So what I want to say is...

The local elections are one thing...

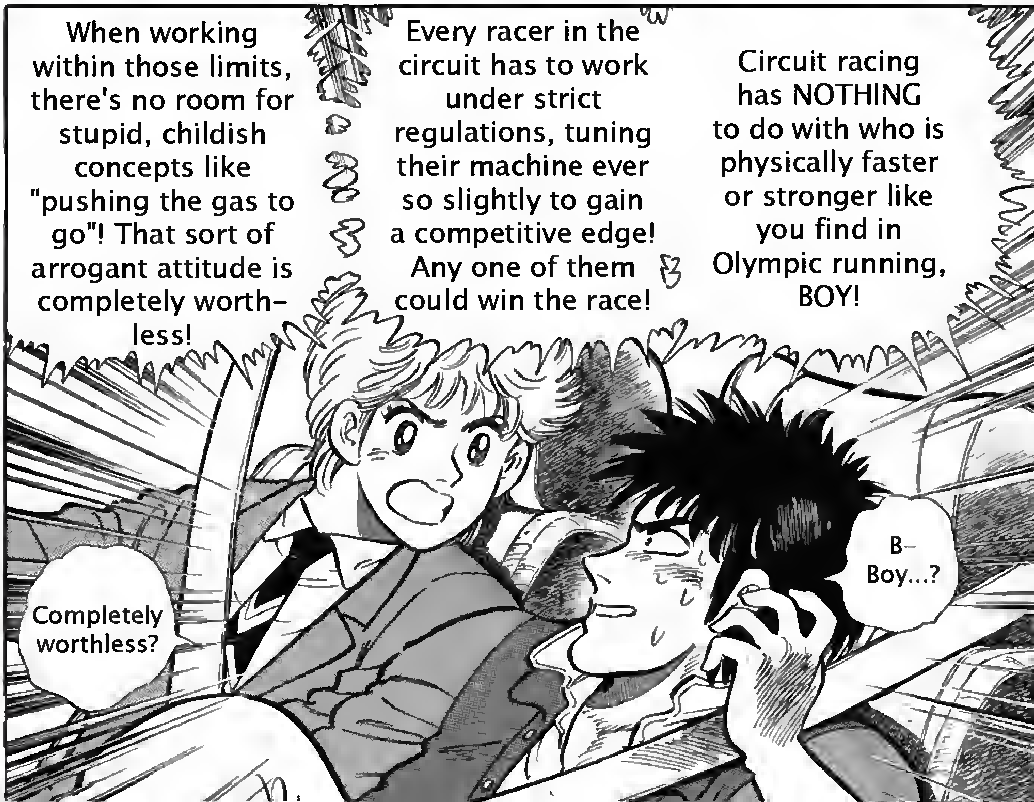
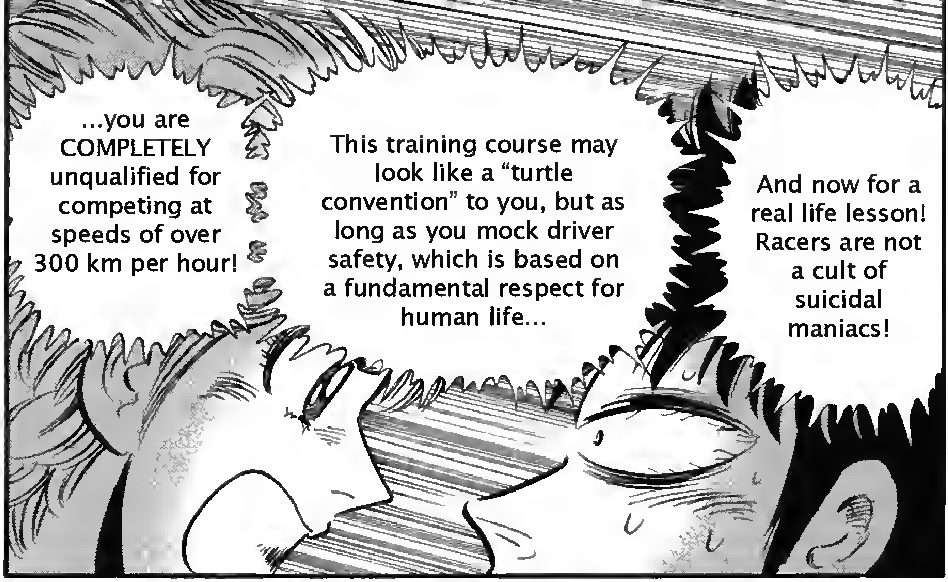
SHING
Sorry.



When working within those limits, there's no room for stupid, childish concepts like "pushing the gas to go"! That sort of arrogant attitude is completely worthless!
Every racer in the circuit has to work under strict regulations, tuning their machine ever so slightly to gain a competitive edge! Any one of them could win the race!
Circuit racing has NOTHING to do with who is physically faster or stronger like you find in Olympic running, BOY!
Completely worthless?
B-Boy...?



...you are COMPLETELY unqualified for competing at speeds of over 300 km per hour!
This training course may look like a "turtle convention" to you, but as long as you mock driver safety, which is based on a fundamental respect for human life...

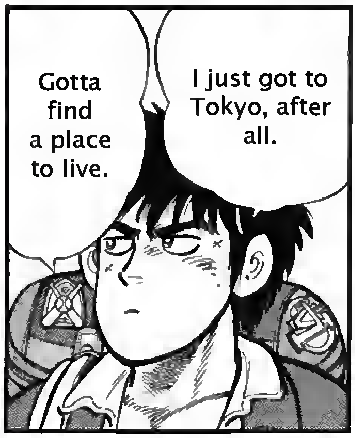
Nothing to see here, idiots!
Outta the way! Outta the way!
Ha ha ha. I'd beg to differ on that!

Shut up you old bag!



Gotta find a place to live.
I just got to Tokyo, after all.

Why didn't you say so?
Really!?

It's good to be active at your age! Come over for some tea!
Oh, but I like you, "scumbag"!
Driving School

Forget it, granny. I don't got time for that.

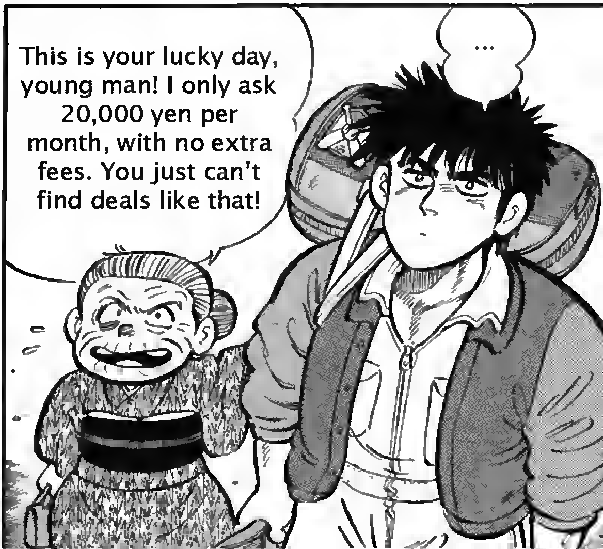
Here we are!
小森荘

I still have two rooms available, and you can pick your favorite. Let's go inside!



This is your lucky day, young man! I only ask 20,000 yen per month, with no extra fees. You just can't find deals like that!
...

Comes with a bed, huh?
CREAK
Do you like it?
This is where my late husband and I used to sleep. It gets the most sunlight.
I knew you'd like it.
Not bad...
THUD
That's where the old man took his last breath.
I'll take the other room.
Um...
...
Yes, the old man and I had a lot of good times in that bed.

Whoa...
Drink more!
It restores that passion I had long ago.
When the old man passed away and left me alone in this big house...
I love energetic young people.
トクトクトク
GULULUL
Their vibrant energy makes me feel so alive.
You've already met her.
My niece lives here, on the first floor. She's a spirited one.
Don't you got any family?
I've got more like you living here too. I'll introduce you later.
I decided I wanted to rent rooms to energetic young people.
Drink some more.
I'm home, Granny. Is dinner ready?
Oh my, is it that time already?
Ha ha ha! I'll introduce you later.
Maybe we passed in the hall...?

That's right. He just arrived in Tokyo today.
Oh, a new tenant?

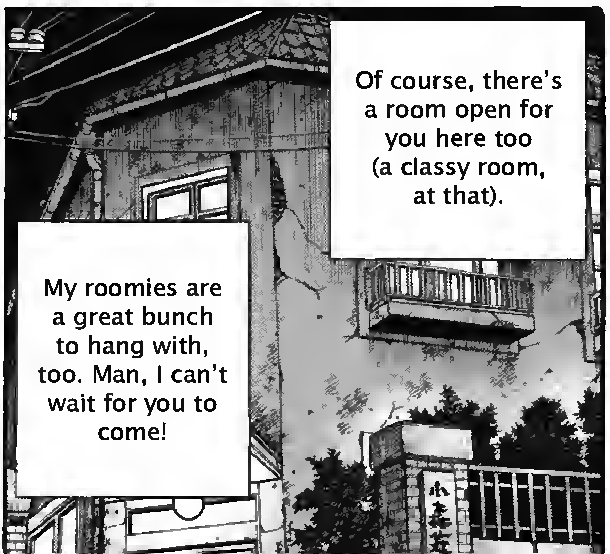
Uh-oh ...
Oh, then you've met?
That scum-bag we saw in Tsukuba!
It's... it's HIM!
Yes, yes. The one you were racing against at driving school!
Granny, when you said I already met your niece living on the first floor... Would that be...

And Auntie was just out of control...
I'm home!
That stupid, lowlife scumbag! I swear if we cross paths again...!
BANG
ROLL
Of course, I never want to see him again though.
CRAAAAASH
I took a lot of heat from my boss...
SLAM
Auntie, what were you thinking!?
'Sup.

Anyway, I found a place to live buddy. Only thing left is for you to come!
Arrrgh!!
ぴょーん
BOING

Get over here quick, Tamotsu. Your skill, my talent, and a mountain's worth of money will make us the fastest team in the world!
I'm counting on you!
To Tamotsu... fastest team in the world! Gunma Akagi



Of course, there's a room open for you here too (a classy room, at that).
My roomies are a great bunch to hang with, too. Man, I can't wait for you to come!

...
...
Ha ha... I was just looking for a screw-driver. But it's fine.
What are you doing in here?
Oh... Oh really...
Momma, the person from JA's on the phone.

Of course, I'll be there.
Thank you so much.

He kicked out one of his sons so he could run, you know...

SNIP
So he's finally gonna run for office...
SNIP
Oh, they asked me to go see Mr. Akagi at his political speech.
What did the JA want?
SNIP
Gunma's much better off now. He can live life his own way over there.
Me? Come on...
Aren't you lonely, Tamo-tsu?
GULP
What about you?
But...
SSSSSS
That's what you want, isn't it?
Fiddling with your mac-hines...
Come on, Momma. You know how I am.

No, that's not what I meant.
!
You're talkin' about Daddy, aren't you...
Somebody who gets too wrapped up in his machines won't become a decent person.
I'm... I'm fine.
But soon he was drunk with pride, and that led to a dangerous mix of drinking, gambling, and prostitutes. Eventually he fixed machines as a drifter, and found another woman...
Praised by everyone for his mechanical skills...
He was terrible, that's for sure.
What are you tryin' to say?
Momma...
Not yours.
But that's his story.

If you don't like fiddlin' with machines, that's all well and good.
Listen carefully, son.
You... read that?
M-Momma ...
Don't you ever betray your friend!
But if that's where your passion is, and you made some sort of promise with Gunma...
You may not think much of your daddy...
Don't get so excited, Momma! I haven't made no promise with Gunma, and I don't think nothin' about Daddy, either way!
That's what a man would do, Tamotsu!
But you can be a better person than him, both as a human being and as a mechanic. You can show him!
SPOOT

No confi-dence?
Really ...
But I know I can't be doin' that right now.
And most of all, I don't got the confidence...
I do like playing around with machinery, and I'd like to make a living at it someday.
I just got one more thing to say.
Okay then.
Oof...
If I was still a young woman...
I'd fall head over heels for someone like your daddy.
Not like you...

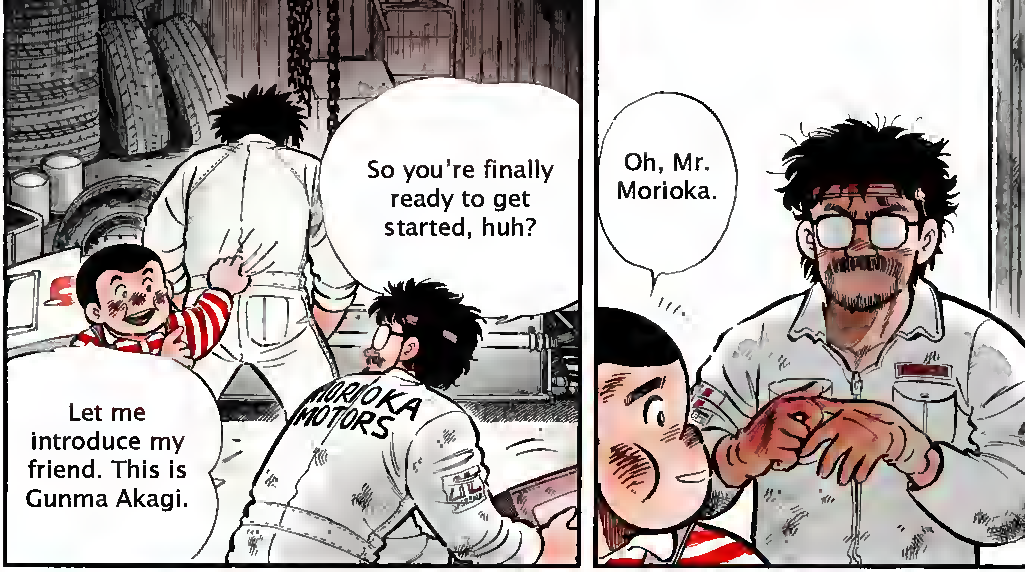
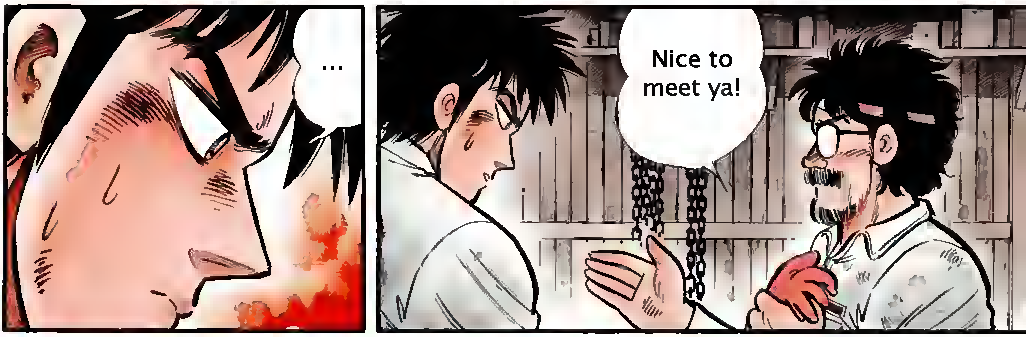
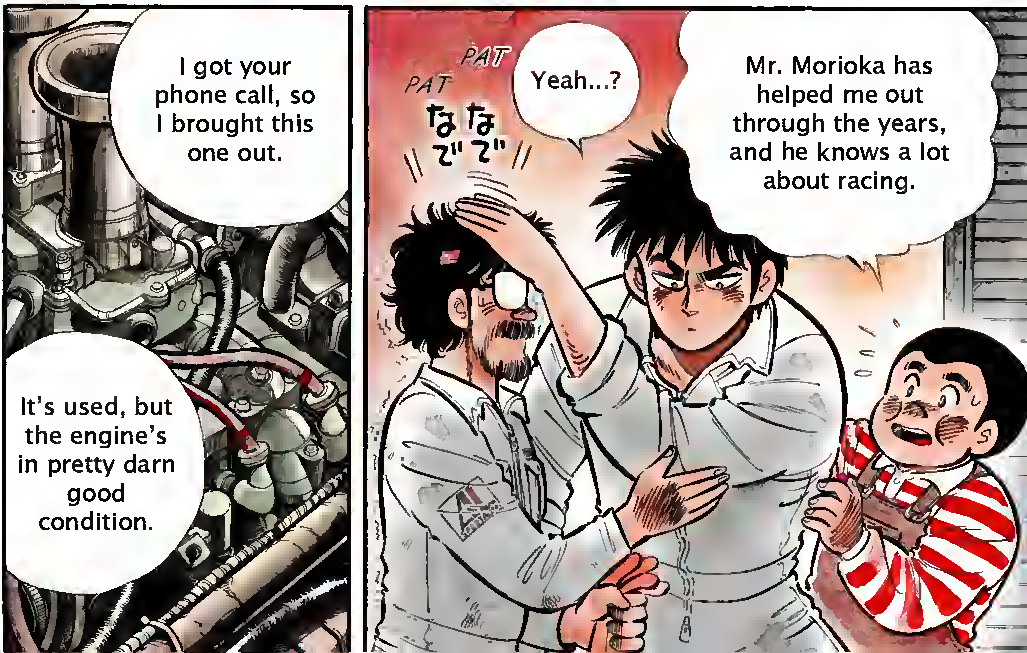
In the Formula J1600, or FJ1600 category.
It's a Bellco 16.
Oh dude... hell yes...
FJ 1600 ...
ゴクッ
GULP
She's got a horizontally-opposed, 1600cc four-cylinder engine!
But it's a race worth doing!
We can't use racing tires, just radials. And we can't attach any aerodynamic devices like an air spoiler...
Well if it isn't Tamotsu!
Basically, this baby's the gateway to formula racing.



So you're finally ready to get started, huh?
Let me introduce my friend. This is Gunma Akagi.
MORIOKA MOTORS
Oh, Mr. Morioka.



...
Nice to meet ya!



I got your phone call, so I brought this one out.
It's used, but the engine's in pretty darn good condition.
PAT

ご" ご"
Yeah...?
Mr. Morioka has helped me out through the years, and he knows a lot about racing.

Hmm ...
But you've got the skill to work on it, and with the right driver, the sky's the limit.
Normally I wouldn't recommend a used FJ car that costs under a million yen...
...got the look!
This guy's...
Who's gonna drive it?
SHING
Good point.
Ha ha ha...
If only we could win races with "the look"...

Honestly, I've been dreaming about this forever.
...it would be a dream come true.
Hey Gunma... so... I always used to think...
If Momma would let me, you and me, we could team up together, you know...
I mean, I never thought it'd be possible, but...
You're ready to race, Momma's okay with it...
And now it's coming true...
And you've got the funds...
Heh heh... Fell down...
CRAAASH
ガニ ガニ ガニ
You come from a rich family, after all! Even a "bad son" like you can get a whole mountain's worth of cash at the drop of a hat, right?
Funds?

You okay?
Ha ha ha! Fine, just fine!
You know what, though? Let's reserve that race car we looked at! I really like it!
HA HA HA
NUDGE
Sure... There's no rush, though!
Anyway, we're gonna need a lot of money!
I've got some saved up. But first we gotta get back to my room and make some plans...
Are you nuts!? What if someone else buys it first!?
Then we'd just have to buy a new frame kit.
It'll be expensive, but in the long run it's better than a used car for racing.
Either way, we're sittin' on a mountain's worth of cash, so it's not a problem!
Let's think about it.

He really thinks I got a bunch of money.
Ta-motsu, you son of a...

I just moved into Room 6. Name's Tamotsu Oishi...

What do you think?
These are shiitake mushrooms from home, and I'd like you to have them as a token of friendship...

Must be tough having a friend like that.
Really.
Did... some-thing happen?
Y-Yeah, sure...
That Akagi kid who just moved in.
Aren't you friends with... him?
Tamotsu said he's got savings.
Wait a minute ...
If I don't get it fast someone else is gonna buy it.

That car is a lucky find...

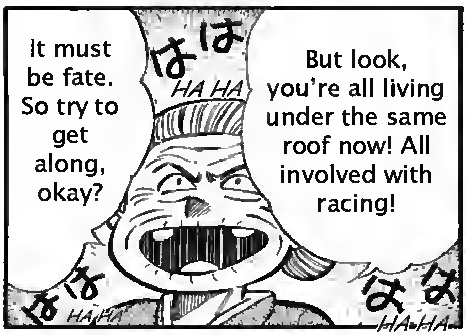
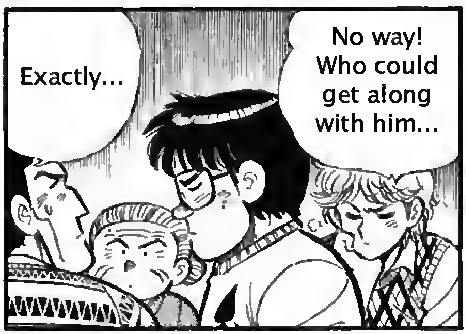
Allow me to apologize on behalf of Gunma.
I'm sorry you had to go through that.

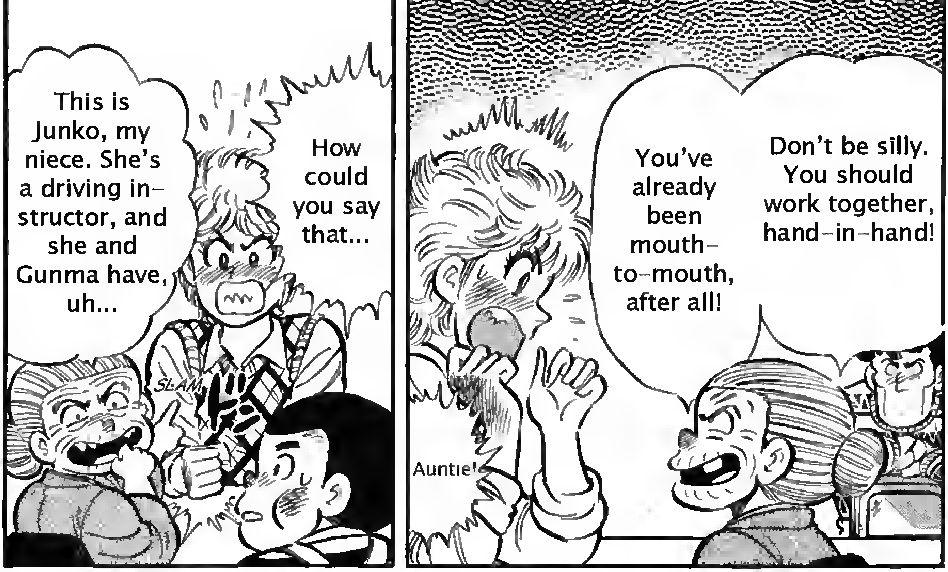


It must be fate. So try to get along, okay?
HA HA
But look, you're all living under the same roof now! All involved with racing!
HA HA

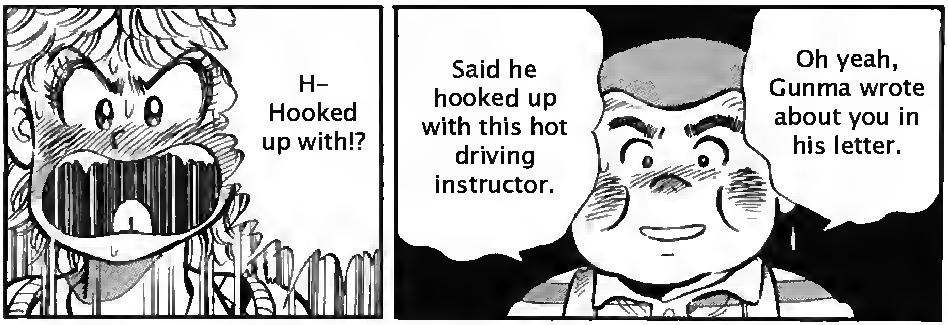


Exactly...
No way! Who could get along with him...

But still...
Now, now. You didn't do anything to apologize for.
That's right. It's all on him.



This is Junko, my niece. She's a driving instructor, and she and Gunma have, uh...
How could you say that...
SLAM
Don't be silly. You should work together, hand-in-hand!
You've already been mouth-to-mouth, after all!
Auntie!



H-Hooked up with!?
Said he hooked up with this hot driving instructor.
Oh yeah, Gunma wrote about you in his letter.

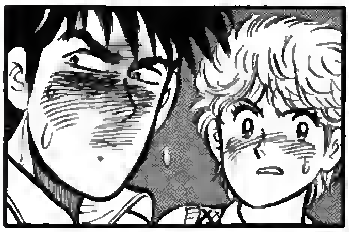
Hey, this is my bank book!



Granny! Dinner!

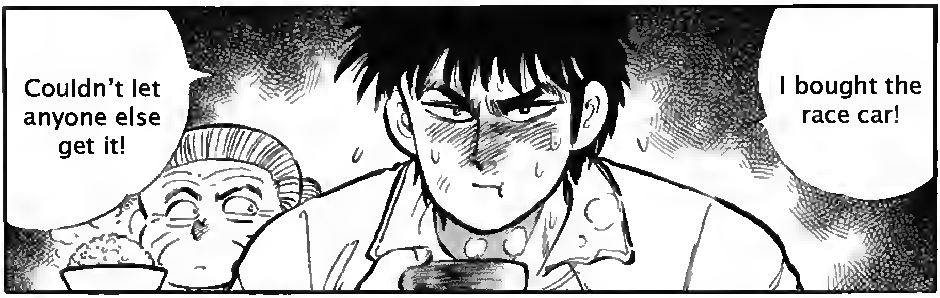
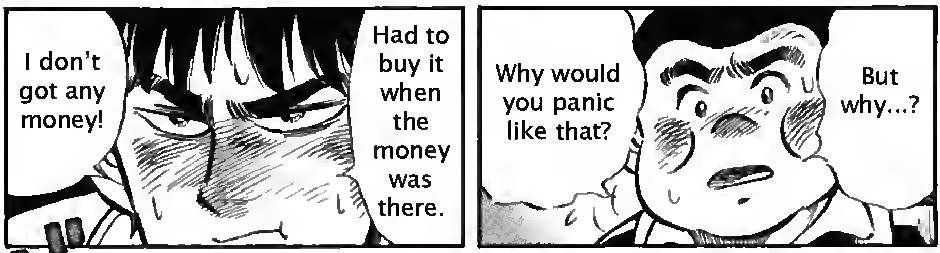
What?

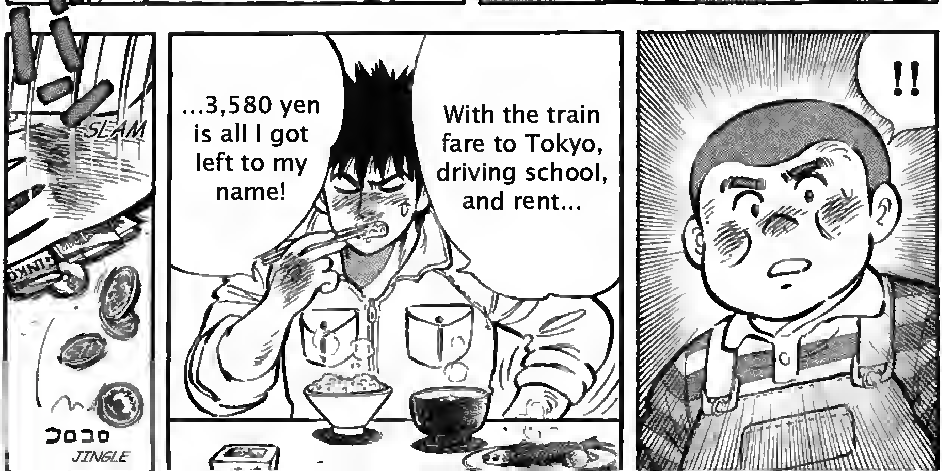
What did you use the money for!?
You just swiped my bank book without asking!?
SLURP
What the hell is this!?
Gunma ...



Couldn't let anyone else get it!
I bought the race car!



I don't got any money!
Had to buy it when the money was there.
Why would you panic like that?
But why...?



SLAM
JINGLE
...3,580 yen is all I got left to my name!
With the train fare to Tokyo, driving school, and rent...

You whipped up a bunch of lies to get me to Tokyo.
Gunma, you tricked me...

MUNCH MUNCH
And that your dad gave you a huge chunk of forest land, a whole mountain...
Said this old apartment was a classy condo...
What a joke!
Hooked up with a hot woman...
You told me you aced driving school on the first day...
How can you eat so shamelessly after betraying your own friend!?
What a jerk!
Unbelievable!
What a terrible thing to say! You are a genuine scumbag!
More food, Granny!
It was all a lie!
But I had to do it that way. Otherwise, a coward like you wouldn't have the balls to live out his dream!
Heh heh, so it was...

I'm gonna be a race car driver! And no one will stand in my way!
Nobody, and I mean NOBODY, will be able to get in front of me!
Seaweed
SHUT UUUP!
CLATTER

Even if I gotta start from zero, I'm gonna climb to the top!

I ain't spineless like you! Whining about money and your momma and all that!

I AM your freakin' money!
Never forget this Tamotsu!
Don't forget you said that.
Sure...
More food, Granny!
Of course I won't forget!
SLAM
MUNCH
MUNCH

That's just how he's always been.
Of course I knew that letter was a bunch of lies.
It all went surprisingly well.
Just like clock-work...
And my real bank book is safe and sound.
PEEL
That money Gunma used was his own after all. His kid brother Yuma told me to give it to him when I came to Tokyo.
CRUNCH
CRUNCH

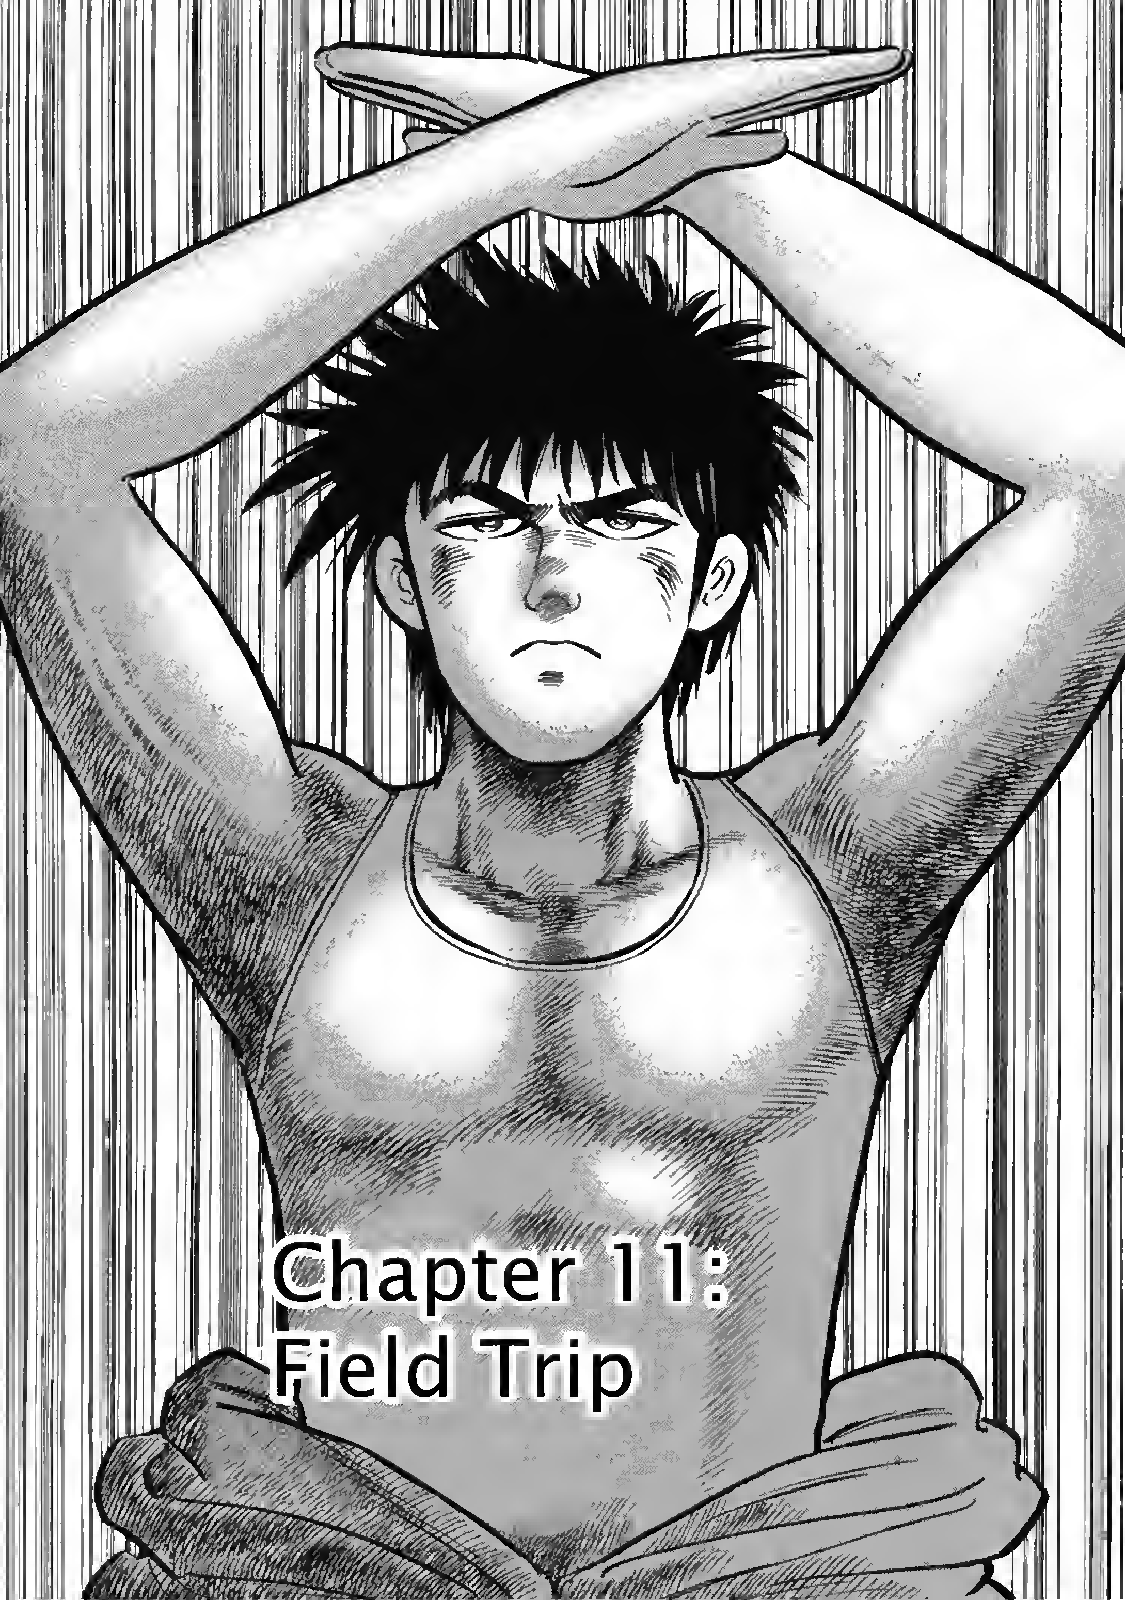
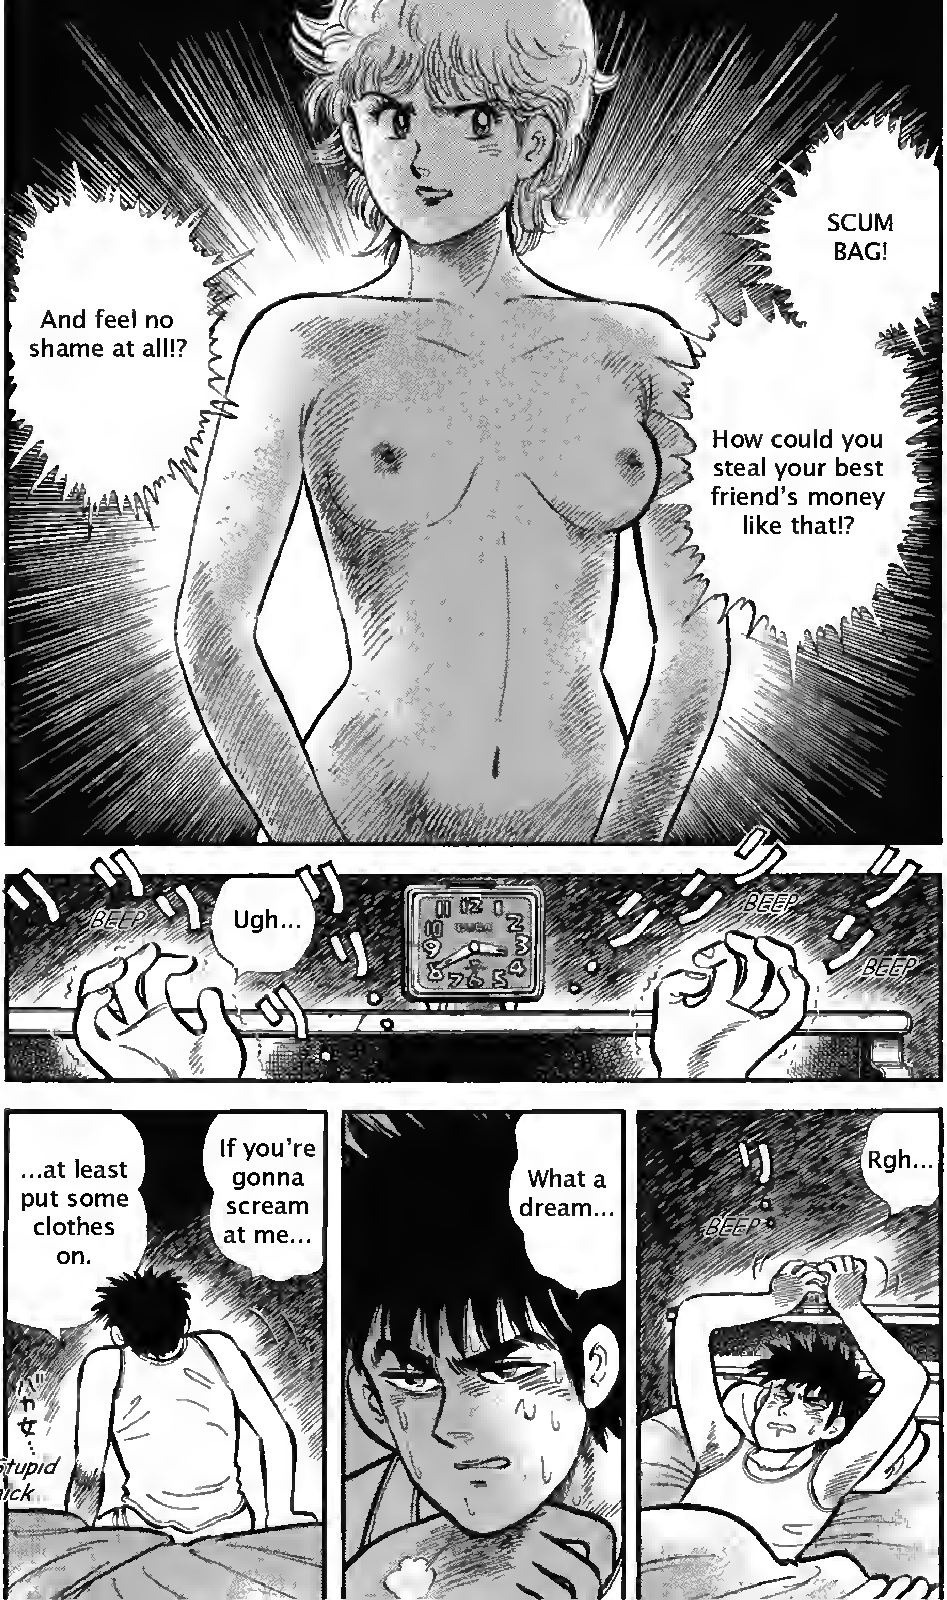
Now for the real challenge...
It all starts tomorrow.
Now that he owes me, things should get easier... especially with a guy like Gunma!
Ahh ...



Chapter 11:
Field Trip



SCUM BAG!
How could you steal your best friend's money like that!?
And feel no shame at all!?
BEEP
Ugh...

What are you doing here at this hour?
KACHINK
Your momma would not approve.
I ain't here to rob you!

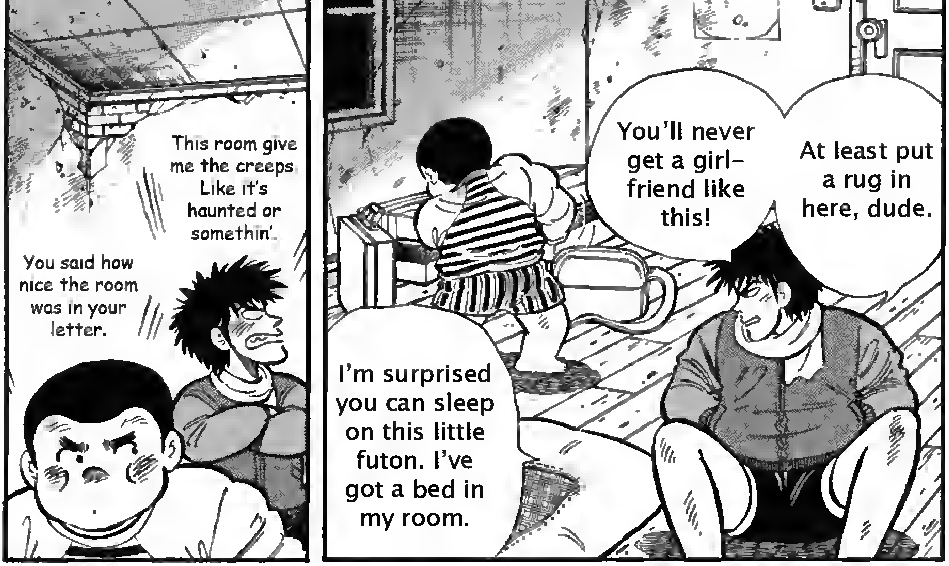
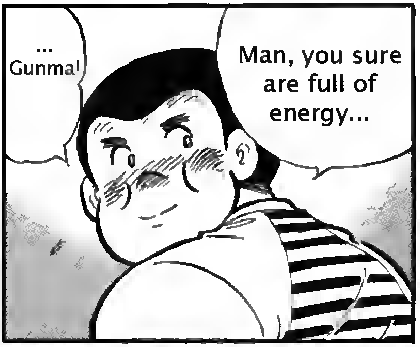
Training, my friend! Early morning training!



This room give me the creeps. Like it's haunted or somethin'.
You said how nice the room was in your letter.
You'll never get a girl-friend like this!
At least put a rug in here, dude.
I'm surprised you can sleep on this little futon. I've got a bed in my room.

You could stub your toe on this!
PEEL



... Gunma!
Man, you sure are full of energy...

My entire savings...
How could you, Gunma...
Let's go.

What are you so nervous about? It's like you're hiding something from me!

THUD

People have to forgive and forget in this world, you know...
JOG
JOG
Right, Ta-motsu?
JOG

I wish you'd stop bringing that up, dude!
Huh? What's that?
If you want your driver's license, you gotta pass a written test too, Gunma!

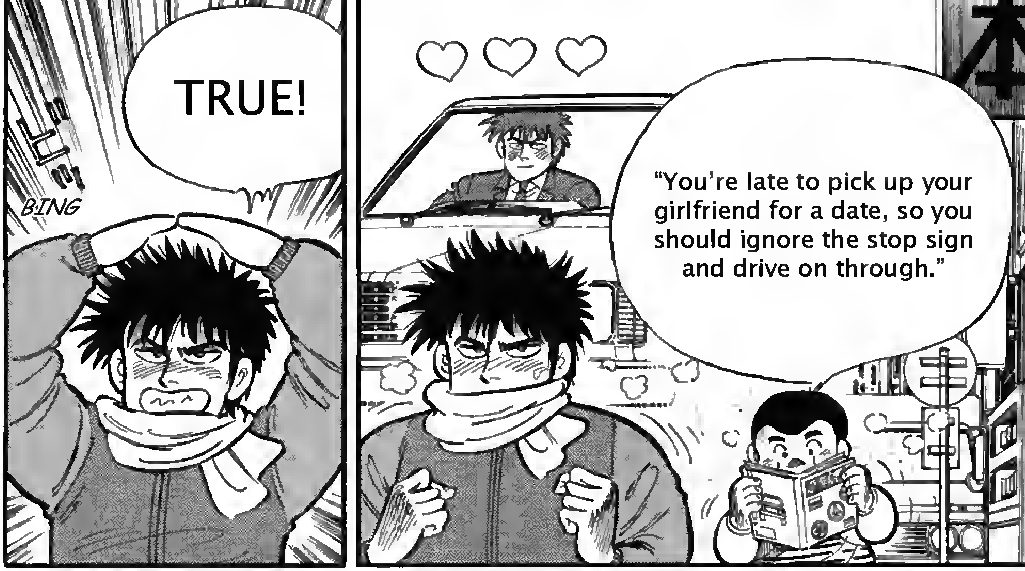
Sounds pretty pointless to me.
I'll read off some ques-tions, and you answer
It's a book of traffic laws.
Question 1...
It's probably easy stuff anyway!
Fine, what-ever!



TRUE!

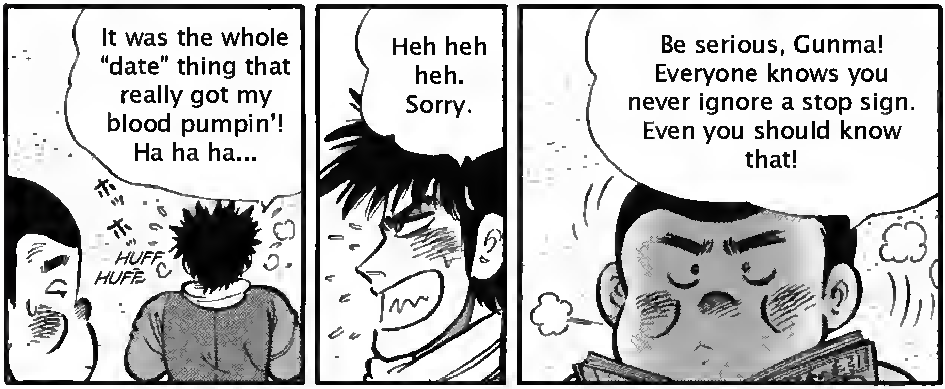
"You're late to pick up your girlfriend for a date, so you should ignore the stop sign and drive on through."



It was the whole "date" thing that really got my blood pumpin'! Ha ha ha...

Heh heh heh. Sorry.
Be serious, Gunma! Everyone knows you never ignore a stop sign. Even you should know that!

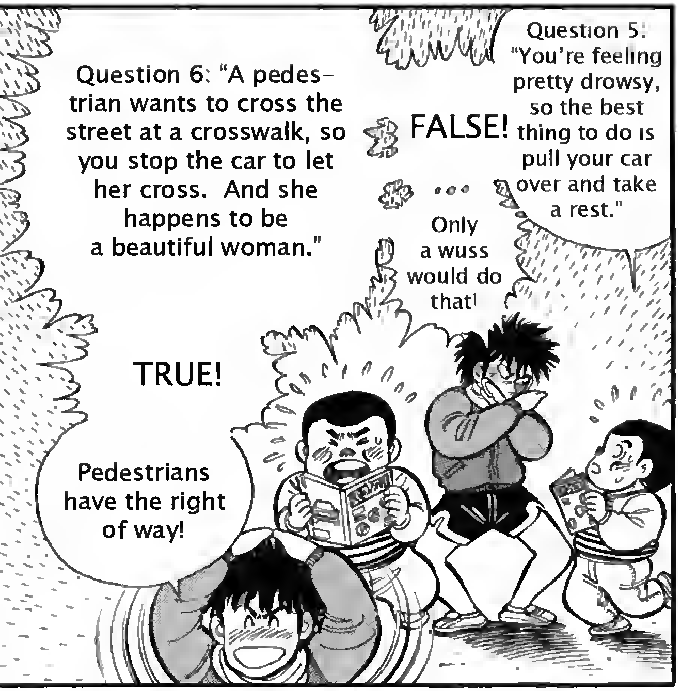
A real man would never let that happen!
FALSE!
Question 2: "The car behind you is trying to pass. In this case, you should move into the slow lane, and let the car advance in front of you."

You gotta step on it in a case like that, to get up enough speed for a sweet jump!
FALSE!
Question 3: "You're driving near the top of a steep hill, and you should slow down because you can't see very far ahead."



Question 6: "A pedestrian wants to cross the street at a crosswalk, so you stop the car to let her cross. And she happens to be a beautiful woman."
FALSE!
Question 5: "You're feeling pretty drowsy, so the best thing to do is pull your car over and take a rest."
...
Only a wuss would do that!
TRUE!
Pedestrians have the right of way!

Question 4: "You're at an intersection with no traffic lights. In this case, you feel the best thing to do is yield the right of way."
FALSE!
It ain't good to think too much. I'd go forward!

Nobody, I mean nooobody, gets in front of meee..
...
JOG JOG JOG

What are you so happy about?
Yes! You finally got one right!

He's been banned from the nearest driving school, so maybe it's better for him to go right to the test site.
Ha ha ha... That's impossible, Tamotsu! Even taxi drivers fail their first test!
Hmm, no license, huh...?
If you work for me, that is!
If money's the issue, I can pay you in advance!
But another driving school would be expensive, and...
...
ポ...
Ooh...
I'll give your boy some work too...
Of course I'd love to, but...
I've got a lot of odd jobs.

...
You sure were soft.
Yuki... I wonder what you're up to.
Right... Like that would happen...
Let's get it on, baby...
It'll just be a waste...
How come?
I appreciate your offer, but please forget about the money.

I can't figure it out.
It definitely isn't running right.
Guess we oughta take it to the shop.
Well?
Hmm ...
Hey, you guys don't look too happy about somethin'!
Lemme take a look at it.
What's wrong with it?
Not running well?
Don't touch it!

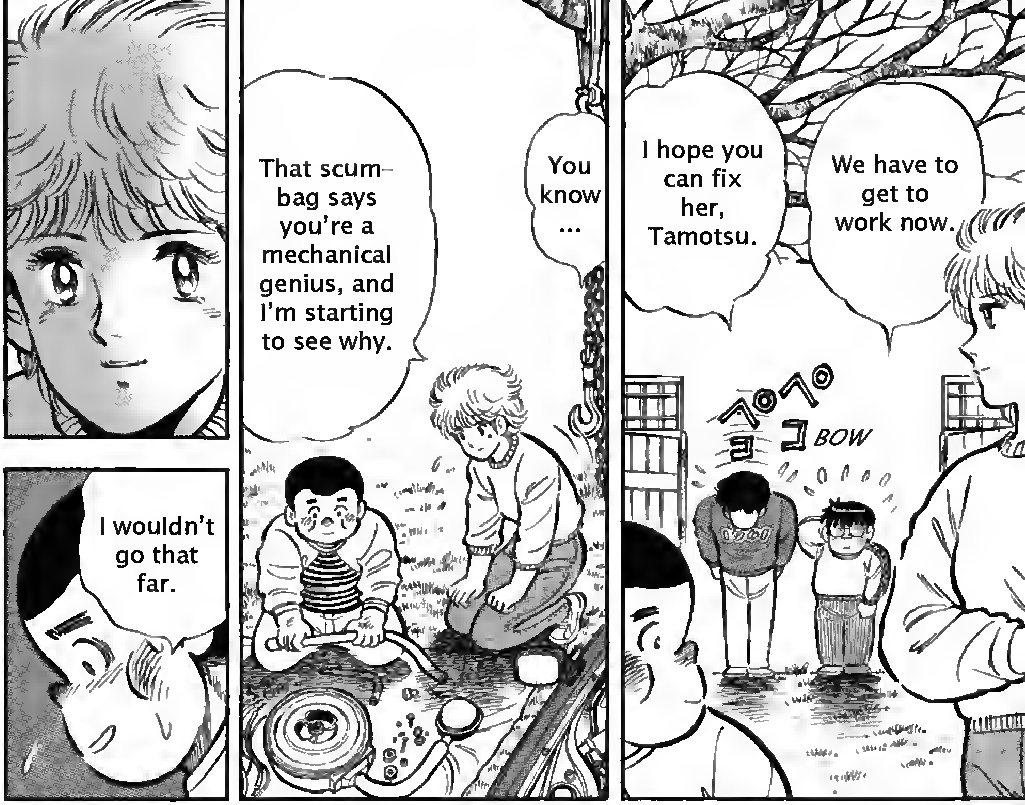
You got a problem, or what?
J94
Hmph...
He doesn't even have a license. What would he know?
TWITCH
I'm a compassionate guy!
But...
It's true I don't got a license.
And I don't know nothin' about mechanics, nor do I care...
Kindness? Yeah right!
If someone's in trouble, it's only natural to show kindness.
But...
This guy's a mechanical genius. He knows all there is to know about cars!
Tamotsu, come take a look at this!

SLAM
Heh heh...
That's him being kind...
Granny! I'm hungry!
Just take a look!
Um, what seems to be the problem?
Yeah.
Thinks he's hot stuff.
I'll take a look if you don't mind.
Don't waste your money.
We'll just take it to the shop.
The engine's not running quite right, but I can't put my finger on the problem.

Yeah ...
?
You got a screw-driver?
Probably.
Let's start up the engine.
Can you figure it out?
Sure, start it up!
Ready?
One screw-driver.
TAP
VRRR

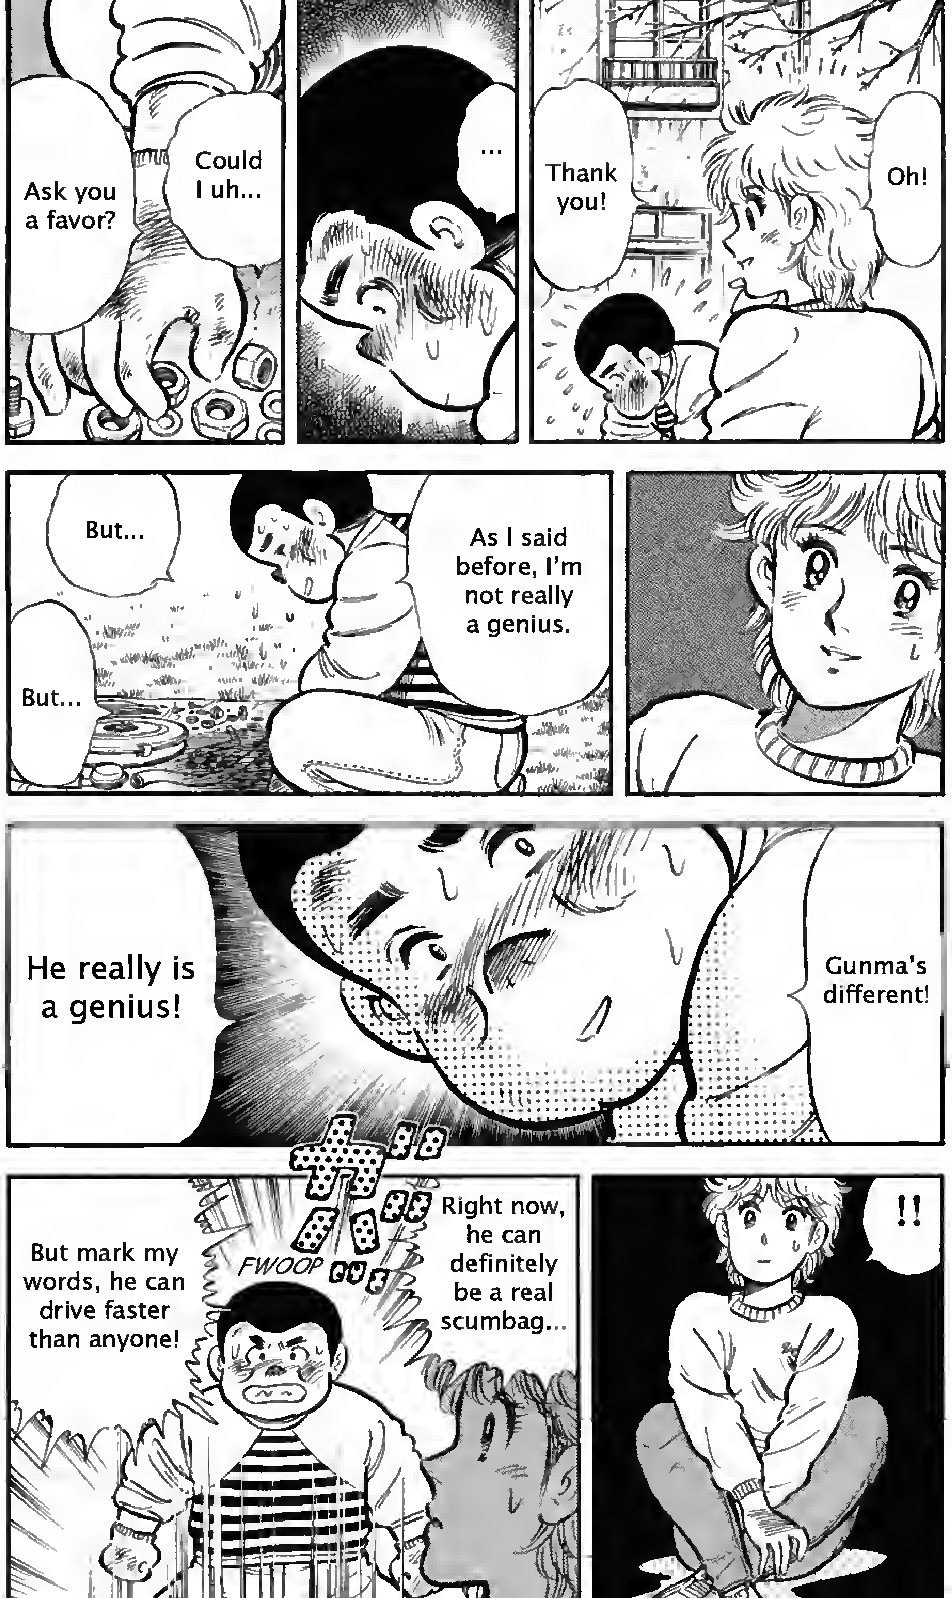
There's a fussy kid in the carburetor!
Got it.
PHEW
That's how it sounds to me, at least.
Keep going, you're clear...
VRRRR

The screw-driver is like a hearing aid.
There's a lot of different ways to check the engine.
Any around the head, or the crank...
First we gotta check for unusual sounds.
Compressed gas is leaking from a cylinder back into the carburetor. This is caused by poor valve adjustment.
In this case, the engine itself's not the problem.
It's the intake system.
It's fine.
Hey, give him a break!
So can you fix it, farm boy?



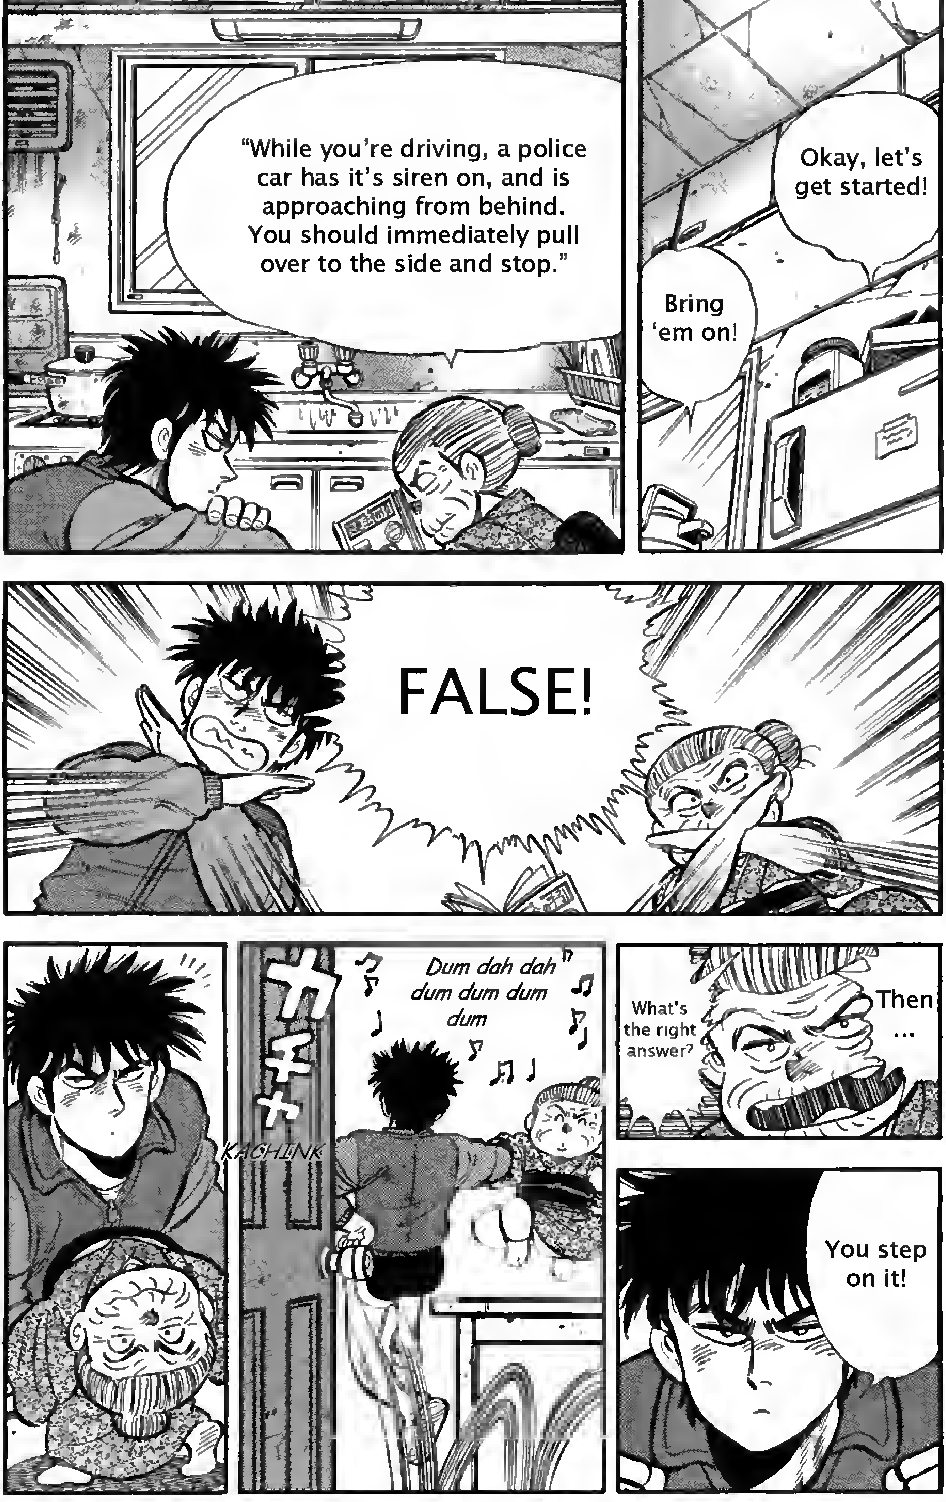
I hope you can fix her, Tamotsu.
We have to get to work now.
BOW
You know ...
That scumbag says you're a mechanical genius, and I'm starting to see why.
I wouldn't go that far.

Still, I see you in a different light now.
It's like you've got 10 or 20 years of experience, but you're still a kid.
...
THUMP
THUMP
Y-You uh...
You're really pretty when you smile.
THUMP
THUMP
Definitely a genius.



Could I uh...
Ask you a favor?
...
Oh!
Thank you!
But...
But...
As I said before, I'm not really a genius.
He really is a genius!
Gunma's different!
But mark my words, he can drive faster than anyone!
FWOOP
Right now, he can definitely be a real scumbag...
!!

Private lessons?
Pr...
Give Gunma private lessons so he can get his driver's license!
Please, Junko!
His only chance is to go straight to the test site!
Since Gunma's the way he is, he'll get thrown out of any driving school in the country!
Give him a chance!
Please, Junko!



"While you're driving, a police car has it's siren on, and is approaching from behind. You should immediately pull over to the side and stop."
Okay, let's get started!
Bring 'em on!
FALSE!
